

Safeguarding Newsletter

Newcastle District and Darlington District

Welcome to our first Newsletter of 2024! This is the place to find the latest information about safeguarding in the region.

1. New Team Member

Rachel Bourne is the new Assistant Regional Safeguarding Officer (ARSO).

Rachel has taken over the safeguarding admin from the lovely Jenny Priory, and is overseeing training, DBSs, and answering any questions you may have. Rachel is not doing casework, so still speak to Carolyn Godfrey with any safeguarding concerns. Rachel likes trying to bake bread, swimming in the sea, and gardening (gardening without a garden). Rachel once spoke to DJ Greg James about cows live on Radio 1.

2. New Safer Recruitment forms for volunteers

To recruit volunteers, there is now just one form to fill out. It is replacing the Form As and the Confidential Disclosure forms.

**‘One Form
to Replace
Them All’:**

Everyone who has an official role in church life should be recruited following the Safer Recruitment Policy. This procedure has now been made a bit simpler, as there is only one form to be completed. More information about Safer Recruitment can be found at [here](#).

3. New Safer Working Practices Leaflets

These new leaflets need to be given to every volunteer yearly. There is one for people working with children and young people, and one for people working with adults.

The Code of Safer Working Practice is important as it helps to make sure good safeguarding takes place. These leaflets are designed to make this information more accessible to all volunteers.
